Notes:

1. Data were obtained through a survey of research hospitals and from financial statements. Information for Ontario was coordinated in part through CAHO (Council of Academic Hospitals of Ontario).
2. Data are provided for the main hospital(s) including their affiliated hospitals and research institutes/centres, where applicable.

*Head count of researchers/scientists/investigators/clinician-researchers conducting research. Does not include fellows/postdocs, technicians, students or support staff

⁺Size is based on total hospital spending: Medium = \$400 million to \$1 billion
