Notes:

- Data were obtained through annual reports, financial statements, securities commission filings, or through a survey.
- We have attempted, wherever possible, to provide gross R&D spending before deduction of investment tax credits or government grants.
- We have attempted, wherever possible, to provide revenue net of interest and investment income.
- FY2014 R&D spending figures may have been adjusted as more accurate information became available.
- Canadian-owned company results included worldwide revenue and R&D spending; foreign subsidiaries (fs) for their Canadian operations only.

*Converted to CDN\$ at annual average 2015 = 1.2787, 2014 = 1.1045 (Bank of Canada)

**Based on companies with \$2 million or more of revenue

*Not current name/acquired/merged

**Fiscal 2016 figures were used for year-ended January or February

fs = Foreign subsidiary (included revenue and R&D spending for Canadian operations only)

nd = Not disclosed

(a) Sanofi Pasteur Limited and Sanofi-Aventis Canada Inc. (including Genzyme Canada).

(b) Atomic Energy of Canada Limited revised their reporting for FY2015, the FY2014 figure has been adjusted accordingly.
