Notes:

1. Data were obtained through a survey of research hospitals and from financial statements. Information for Ontario was coordinated in part through CAHO (Council of Academic Hospitals of Ontario).
2. Research spending includes all funds (direct and indirect) spent on all sources (internal and external) to support research.
3. FY2014 figures may have been adjusted as more accurate information became available.
4. Data are provided for the main hospital(s) including their affiliated hospitals and research institutes/centres, where applicable.

\*Head count of researchers/scientists/investigators/clinician-researchers conducting research. Does not include research fellows/post docs, technicians, students or support staff.

+Current name may differ due to reorganization

na = Not available

<sup>(a)</sup> Research spending amounts were combined as these hospitals have one research institute.

<sup>(b)</sup> Data for St. Boniface Hospital are not included with WRHA.

<sup>(c)</sup> Only includes Hôpital du Sacré-Coeur de Montréal, Hôpital Rivière-des-Prairies and CSSS Bordeaux-Cardierville-Saint-Laurent.
