+ University corporate research partnership is measured by grants and contracts received from corporate sources during the period FY2010-FY2014

\* Universities with mainly undergraduate programs

\*\* In Fiscal 2011, Quebec universities reported data for only 11 months due to a fiscal year-end change

\*\*\* Has a medical school

#### Notes:

1. Based on universities on the 2015 Top 50 Research Universities list and reported research income from corporate sources in the form of a grant or contract for all 5 years FY2010-FY2014.

2. Financial data were obtained from Statistics Canada.

3. Apparent ties may be due to rounding.
