

## Spotlight on University Non-Profit Research Partnerships 2010-2014<sup>+</sup>

### Comprehensive\*

#### Non-Profit Research Income

| Rank | University                        | Research Income<br>\$000 |
|------|-----------------------------------|--------------------------|
| 1    | University of Waterloo            | \$98,819                 |
| 2    | Simon Fraser University           | \$70,097                 |
| 3    | University of Guelph              | \$56,920                 |
| 4    | University of Victoria            | \$29,965                 |
| 5    | York University                   | \$25,055                 |
| 6    | Université du Québec à Montréal** | \$20,661                 |
| 7    | Carleton University               | \$10,114                 |
| 8    | Concordia University**            | \$6,544                  |
| 9    | University of Regina              | \$1,068                  |
|      | Tier average (9)                  | \$35,471                 |
|      | Total universities average (40)   | \$113,528                |

#### Non-Profit Research Income as a % of Total University Research Income

| Rank | University                        | %    |
|------|-----------------------------------|------|
| 1    | Simon Fraser University           | 14.6 |
| 2    | University of Waterloo            | 12.8 |
| 3    | University of Guelph              | 7.4  |
| 4    | York University                   | 7.1  |
| 5    | Université du Québec à Montréal** | 5.9  |
| 6    | University of Victoria            | 5.7  |
| 7    | Carleton University               | 3.4  |
| 8    | Concordia University**            | 3.0  |
| 9    | University of Regina              | 1.0  |
|      | Tier average (9)                  | 8.3  |
|      | Total universities average (40)   | 14.2 |

+ University non-profit research partnership is measured by grants and contracts received from non-profit sources during the period FY2010-FY2014

\* Universities with a wide range of undergraduate and graduate programs or only graduate programs

\*\* In Fiscal 2011, Quebec universities reported data for only 11 months due to a fiscal year-end change

#### Notes:

1. Based on universities on the 2015 Top 50 Research Universities list and reported research income from non-profit sources in the form of a grant or contract for all 5 years FY2010-FY2014.

2. Financial data were obtained from Statistics Canada.

3. Apparent ties may be due to rounding.
